Fig. 1.2 for Question 1**Tianjin Eco City, China****Tianjin Eco City**

Tianjin Eco-City is a fascinating, 30 square kilometer development designed to showcase the hottest new green technologies and to serve as a model for future developing Chinese cities. Designed by Surbana Urban Planning Group, the city is being built just 10 minutes away from the business parks at the Tianjin Economic-Development Area, making commute a breeze with the development's advanced light rail transit system.
