- There are other animals for your pet to interact with.
- Closed Circuit Television (CCTV) cameras installed in each room ensure close surveillance every day and night.
- It will cost you between \$50 and \$150 a day.

2

Buy an Automated Pet Feeder System

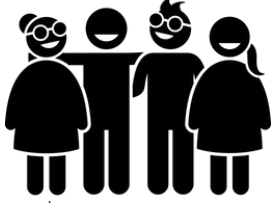

- the latest technology that you can control on your smartphone
- With a touch of a button, you can dispense food and water from anywhere in the world.
- includes a robot cleaner that can clean up any messes your pet leaves behind
- A camera allows you to 'watch' your pet.
- an affordable monthly instalment payment of \$83 for a year
- enables your pet to feel comfortable at home

3

Ask a Close Relative/Friend to Do You a Favour

- Your relative/friend will know all the quirky habits of your pet well.
- Your pet will enjoy individualised care and attention.
- Your relative/friend will keep you posted about your pet.
- It is the cheapest option, as all your pet's necessities can be moved from your home.
- A familiar face will help your pet quickly adapt to the new environment.
